Date this Grant Evaluation Form is being submitted:

The Lowell Berry Foundation asks your organization to submit an evaluation of the program for which the grant was made <u>within one year</u>. Any new requests will not be accepted until this evaluation form is submitted and reviewed. You may attach an additional page to respond to these questions.

1. Was the grant used for the purpose requested? If not, why not and did your organization request a change in grant purpose from the Foundation?

2. What were the original goals/objectives of your program and how have they been modified during the term of the grant, if at all?

3. How has the program been implemented, how have you evaluated the outcomes of the project and how will you modify the program, if at all, based on the results of the evaluation?

4. How did the Foundation's grant affect the overall achievement of this program's goals?

5. What improvements, if any, would you recommend for program/project continuation?

Please include the most recent financial reports as they pertain to this program.
